

St. Anastasia Catholic Church and School

Honoring our Past, Building our Future

The foundation of St. Anastasia Catholic Church and School has been developed and maintained by the legions of parishioners and school parents before us. It is our responsibility to continue their legacy as we build our future.

As you know, last year we successfully campaigned and raised funds to develop a Junior Kindergarten program and install a fence to provide more security. The fence has been installed, the Junior Kindergarten classroom has been renovated, and this summer the new playground will be constructed.

This year, we continue to improve our grounds by creating a new school lunch area/Parish gathering space called Pastors Plaza. Please take this opportunity to honor the past and contribute to building the future of St. Anastasia with a donation. Celebrate a memory by purchasing a brick, multiple bricks or granite plaques.
