## GOSPEL MEDITATION

Brendan wouldn't stop. He continued nagging his mom to let him have a little more time with his phone. He knew the rules but wanted to finish a game and text a few more friends. He begged, had a temper tantrum, pleaded, screamed, pouted, and used every means he could think of to get Mom to change her mind. Mom had a busy day and was tired. At first, she held her ground. Then, her son's persistence got the best of her, and she caved. "Brendan, you can have 30 more minutes and no more!" she retorted. Brendan's determination paid off. He won.

Is this how it works with God too? If we want something enough and feel it is our due, does our persistence allow us to eventually get our way? Judging God by human standards, it would seem so. But is this the way God works? It gets a bit confusing

when Jesus tells his disciples to "pray always without becoming weary" and then further tells them how God will "secure the rights of his chosen ones who call out to him day and night." If we catch God at the right time, when he's having a weak moment, then our tenacity ought to pay off. What we want, we will get. Really? Sadly, the way many approach prayer suggests that this is precisely how it goes.

Good parents set boundaries and offer proper discipline. They learn the art of being steadfast when presented with determined minds and wills. They know what is best and, at times, have to say "no." God is always there with His full attention and unconditional love showering itself upon us. God also knows what is best. And, as with any good parent, the one constant that is always available and never withheld

is love. We can be as persistent and determined as we want if what we are seeking is God's love. We are never a bother and requests for God's love are never denied. This is the prayer of the heart. Desiring God alone and not only what we want God to do for us places this love relationship foremost in our minds, hearts, and souls. God is never bothered by this prayer. As we breathe in and exhale out, the Divine Life freely flows. ©LPi

## DID YOU KNOW? OCTOBER 15-16

### The benefits and risks of social media challenges

Social media has the obvious benefit of allowing us to connect with friends and family no matter where we are. But TikTok and Instagram "challenges" can become risks — some are fun opportunities for bonding, fundraising, or just being silly, while others are far more dangerous. Be aware of what your child is watching and imitating on social media. Challenges or "games" like the Sunburn Art or Ice and Salt are intended to cause physical harm, and could put your child at risk. For more information, request a copy of the VIRTUS® article "The Benefits and Risks of Social Media Challenges" at [lacatholics.org/did-you-know/](http://lacatholics.org/did-you-know/).

## KIDS' CORNER

... HE CHOSE US IN HIM... TO BE HOLY ...

EPHESIANS 1:4

When you are chosen for something, like a team or an award, it feels great when someone says, "I choose you!" The good news today is that we are all chosen –by God! God chose

us because God loves us. God chose us to be holy. We are all holy in God's eyes, and so God asks us to grow in our holiness by going to Mass, saying our prayers, asking for forgiveness and loving God—and those around us.

THANKS FOR CHOOSING ME. GOD. I CHOOSE YOU TOO!

From the book entitled "Living Faith Kids" by Imprimatur Bishop Mark S. Rivotuso

## NONDISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

## BEYOND OUR PARISH

### OFFICE OF LIFE, JUSTICE & PEACE

#### VOTE "NO" ON PROPOSITION 1

Proposition 1 is a worst-case scenario for abortion in California. It is an expensive and misleading ballot measure that allows unlimited late-term abortions — for any reason, at any time, even moments before birth, paid for by tax dollars.

Prop 1 isn't needed. Sadly, California already has some of the most permissive abortion laws in the nation that would remain in effect without the amendment, including our current limit on late-term abortions that are permitted only for the life and health of the mother. Prop 1 destroys this common-sense limit.

California does not limit state spending on abortion, and with thousands more traveling from other states, the cost will be in the hundreds of millions. Don't hand lawmakers a blank check to pay for abortions, and don't let them make California an "abortion sanctuary."
