GOSPEL MEDITATION

At sixty years of age, Maria and Paul had a beautiful life. High school sweethearts, they had four children, five grandchildren, a successful business, good friends and a fabulous beach house. They felt very blessed. Their strong faith in God saw them through some difficult challenges. Without warning, Paul died suddenly. Maria was devastated. Why did God do this? Why did God allow this to happen? An indescribable depth of sadness weighed heavily upon her heart. She felt betrayed by the God she thought was looking out for her. She was overwhelmed by despair. Have you ever experienced such incredible and deafening sadness? Where is God in all of the pain?

We often want God to fix things or intervene and change nature's course. When He doesn't act as we desire, it shakes our faith. We do not always understand or appreciate why things happen as they do. There is much that is beyond our control. John the Baptist prepared the way for Jesus and Jesus is the way to God. There is something more going on in life than what we can see with human eyes. We are on a sacred path, and God is with us. God is with us in our confusion, suffering, doubts, and intense sadness. Jesus announced God's vision for humanity and taught people to see God and themselves for who they are. There is a way through and beyond all hardship and suffering. God does not abandon us.

God has a clear vision for the future, both for us individually and for our world. It is a vision of harmony and gentleness where all will live as one and the "wolf shall be a guest of the lamb." God is not indifferent. He is the God of "endurance and encouragement." In God, we see what we may be, what may come and who we can become. When Maria opened herself to God's creative presence, she learned to trust. She began to realize that she could endure more than she had imagined. She also discovered a spark of encouragement, bringing her through the sadness to where she could be. In retrospect, Maria knew that God's reassuring presence was with her.

ST. NICHOLAS | FEAST DAY DECEMBER 6TH

Known for his kindness and generosity to the poor, the story has it that St. Nicholas once tossed bags of gold through the open window of a poor man's house to help his daughters.

According to legend, the gold landed in stockings dangling on the corners of the beds, which is why many of us celebrate St. Nicholas Day by hanging stockings and filling them with candy, fruit, and small toys.

HOLY MOMENTS

Holy Moments give meaning and divine purpose to our lives.

Holy Moments by Matthew Kelly is now available to all parishioners, thanks to the prayerful contemplation and generosity of a fellow parishioner who donated 325 copies for all to enjoy. Please take one copy per family. The books are located in the vestibule and the table by the West exit door.

BEHOLD - ADVENT DEVOTIONAL

Let the Holy Family be your light through Advent as you receive the healing power of Christ. This Advent Fr. Leszek has selected *Behold* by Sr. Miriam James Heidland, SOLT. In this beautiful guided journal for prayer and meditation, Sr. Miriam James Heidland, SOLT—author of the bestselling book *Restore*—will walk with you as you explore familial wounds with the help of Jesus, Mary, and Joseph. Each week you are invited to reflect on the season through the eyes of Mother Mary (Motherhood), Father Joseph (Fatherhood), Baby Jesus (childhood), and Stable (Restoration of Peace). 1 copy per family will be available in the Vestibule of the Church and the side table at the West exit door, while supplies last.

California act protects children online

The California Age-Appropriate Design Code Act, which was signed into law in September, requires companies to assess potential harm in how they use data from children (defined as any user under 18) in new services or features, and to enact plans to reduce risk. Companies are also banned from using minors' information in "materially detrimental" ways, such as routing searches for weight loss to photos of supermodels, and from collecting, sharing, or selling a minor's personal information by default. For more information about this new law, read "California takes child protection seriously with new online law" on AngelusNews.com.
